

# Audio/Visual

Sight and Sound is proud to offer the very best in audio/visual equipment for rentals and sales. Our 30 years experience has taught us a thing or two about corporate requirements ranging from VCR's and TV's to multimedia projector's and sound systems. We can help you plan and provide your audio/visual requirements for any event!

## Video & Data Projector's

Screens

Lighting

Speakers

Mixers

Microphones

Let Sight & Sound assist you in developing and implementing your Audio/Visual presentation needs. Whether it be a simple data projector with screen or a full scale stage production, let our professional equipment and special attention to detail make your presentation a success.

**Visuals are processed 400,000 times faster than text. Make an impact they won't forget. Let our Audio Visual team make you look good!!**

# Entertainment

Whether your company is hosting a Corporate Meeting, Family Barbeque or an Evening Gala/Dance, Sight & Sound can do it all for you. Sight & Sound will assist you in making this year's corporate function the very best. We not only offer everything you need for your event, but we can be on-site for the duration of the event and ensure that everything runs smoothly.
